What could be more special for girls than jewels? Girls and women of any age group love to adorn beautiful pieces of jewellery. And Valentine's Day is one of those special occasions when they're given that beautiful gift of love. And for this special day, Jewels-bypreeti has a new collection for those who seek special gifts to pamper their loved ones. Love can fill your life with colour, and so the new collection has been inspired by all of those beautiful colours.

Jewels by Preeti has come up with jewellery in 18 Karat gold and a trendy mix of precious stones like rubies, emeralds and sapphires. As Preeti says, "Everyone, of any age, will love this collection because as you travel the path of life and look back, you want to cherish the special moments again and again."
